American Crystal Awards RiverView Foundation \$5,000 on Giving Hearts Day

CROOKSTON, MINNESOTA (Feb. 10, 2022) – American Crystal Sugar Company is pleased to award RiverView Foundation a check for \$5,000 to help with their Giving Hearts Day campaign. RiverView Foundation counts on grants and charitable support from donor friends – both individuals and businesses – to help ensure they can continue providing necessary access to quality health care services in the Crookston area.

This grant assists RiverView Foundation in the purchase of two critical pieces of equipment. An automated medication dispensing system and a portable ultrasound machine, specific to the rapid assessment of heart and abdominal injury of trauma patients, will be added to their emergency room. American Crystal is proud to support the RiverView Foundation and the vital services they provide to the community.
